Refund policy

For Digital signatures :-

For the digital signature certificate for which money has been collected but could not be processed because of inability to complete KYC, the amount collected will be refunded upon request by the customer. Please send us a mail at support@emudhra.com. The refund process will be initiated once we have received your request. Typically, refunds are processed in less than 7 working days.

For other products:-

For other products that are given to you, eMudhra Limited will only accept returns if the product is defective in nature. In such cases, wherever the purchase involves a product, please ensure that while returning the items are packed properly so that the original packing of the product is not damaged in transit. The return shipping charges needs to be borne by the customer. In case of damage to the original packaging or the goods, eMudhra Limited reserves the right to determine a fair value of the product on return and the same shall be binding on both parties.

Please send us a mail at support@emudhra.com to obtain a Return Receipt Number before you ship the item back to us.

No goods will be accepted without a Return Receipt Number.

The refund process will be initiated once we have received the product(s). Typically refunds are processed in less than 7 working days but in case of payments by Cheque or DD, it may take a few extra days for the cheque to be delivered to your billing address, and for the funds to be credited to your account, once you deposit the cheque.

For products which are incorrectly shipped, damaged in transit, with defects, please send us a mail at support@emudhra.com to obtain a Return Receipt Number. We will pay the return shipping charges and will send a replacement within 7 working days. We reserve the right to pay you back in case there are no stocks left of the item returned. All cancellation requests for products has to be placed within 3 days from the date of order to support@emudhra.com, for refund. Once order is fulfilled, cancellations are non-refundable

* After 21st Sep 2026, we will facilitate exchange of FIPS-140 - 2 token into FIPS140-3 token by the OEMs
